# Hafiz Akmal Case Update

Recent pics of Hafiz Akmal with his 3 small children & wife stay in a small room (taken when we went to visit him) – His beard is shaved in lieu of the surgery next week in sha allah

You may recall that we had posted case of **Hafiz Akmal** on 12th Feb 2013 of a poor hafiz e Quran suffering from Sub Glottic Stenosis of the Airway which required implant of a new polyfibre Stent . We visited his house just to check his health & well being & to provide him some basic ration etc – the present status of this case is the stent is imported from USA & the surgery is postponed till next week due to non availability of docs this week due to internal exams. Dr. Syed. Muneeruddin HOD ENT & Professor of ENT will be doing the surgery personally along with his team the surgery is planned to run for 8 to 10 hrs – in sha allah we will keep you posted further .

The PolyFibrous Stent imported from USA has arrived & will be handed over to ENT Hospital before the surgery

## Major Surgeries undertaken this month for Bread Earners

You may recall that we have posted case of Abdul Hanan on 31<sup>st</sup> Jan 2013 a young person & sole bread winner suffering from Non Union of the femur which required ORIF & Bone Graft – By the grace of almighty surgery was successfully done at Woodlands Hospital Barkatpura & the patient has been discharged & doing well – HHF has released **Rs 90,000/-** towards the total cost of surgery & medicines in this case ( See attached receipts) in the mail, However the patient has been advised rest for a good 6 months & in sha allah we will provide basic expenses till he has fully recovered to go back to work ( Auto Driver)

Qudhrathullah Age 35 yrs is suffering from Avascular Necrosis of the femoral Head ( Hip Joint) & requires immediate Total Hip replacement which will cost him 2 lacs.
